A	Audit Qualification (each audit qualification separately)			
	a.	Audit Qualifications		
	i.	The Company has recognized deferred tax asset (net) of Rs. 5,008.05 lakhs on its carried forward accumulated losses (including unabsorbed depreciation) and other temporary differences. In accordance with Ind AS 12 on Income Taxes, a deferred tax asset shall be recognised only to the extent that it is probable that taxable profit will be available against which the deductible temporary differences and unused tax losses can be utilised. Due to the financial difficulties experienced by the Company as stated in Note 2 to the Statement and significant uncertainty stated in Note 3 to the Statement, we are unable to comment on the recoverability of deferred tax asset and consequential impact, if any, on the Statement. Had the Deferred tax asset not been created, the net loss and total comprehensive loss for the year ended March 31, 2021 would have been higher by Rs. 5008.05 Lakhs and other equity as on that date would have been lower by the same amount. (Refer Note No. 5 forming part of the results).		
	ii.	The Company's Cash Generating Unit ("CGU") viz. Kashipur cluster, has a carrying value of Rs. 38,922.34 lakhs as on March 31, 2021 comprising of tangible and intangible assets. The Company has performed an impairment assessment of the CGU as required under Ind AS 36 – Impairment of Assets. The Company is undergoing financial difficulties as stated in Note 2 to the Statement and there is significant uncertainty as cited in Note 3 to the Statement in respect of the Company's plan to monetize its assets, secure funding from the bankers / investors, restructure its liabilities and normalize its operations. We are unable to comment on the appropriateness of the assumptions for the projections used in the impairment assessment and consequential impairment provision, if any, to be made in the Statement with regard to the CGU.		
	iii.	The Company has not provided for interest charge (including penal interest) amounting to Rs. 1,832.91 lakhs for the year ended March 31, 2020; Rs. 524.02 lakhs and Rs 1714.41 lakhs for the quarter and year ended March 31, 2021, respectively on loans outstanding to certain lenders; this constitutes departure from the accrual basis of accounting stipulated under Ind AS 1 - Presentation of Financial Statements. Accordingly, interest due to lenders (gross of TDS deduction), the interest cost and loss for the year ended March 31, 2020 is		

		understated by Rs 1,832.91 lakhs; and for the quarter and year ended March 31, 2021 is understated by Rs. 524.02 lakhs and 1714.41 lakhs respectively. In the absence of sufficient appropriate review evidence, we are unable to comment upon the consequential impact, if any that may arise from this matter. (Refer Note 6 to the Statement).
	b.	Type of Audit Qualification : Qualified Opinion
	c.	<p>Frequency of qualification:</p> <p>The qualification mentioned above in II (a) (i) and (ii) is repetitive and continuing since Limited Review for the quarter and nine months ended December 31, 2019.</p> <p>The qualification mentioned in II (a) (iii) is repetitive and continuing since the year ended March 31, 2020.</p>
	d.	<p>For Audit Qualification(s) where the impact is quantified by the auditor, Management's Views:</p> <p>Management views for qualification mentioned in II (a) (i) above:</p> <p>The Company is carrying deferred tax asset aggregating to Rs. 5,008.05 lakhs. Management is reasonably certain that the Company will earn sufficient taxable profit in future to utilise the Deferred Tax Asset (including MAT Credit) within the time limit prescribed under the Income Tax Act, 1961. Management believes that they are very close to having a complete solution for the Company's debt overhang. The management is negotiating with various investors and all its lenders for one-time settlement of the term loans. This settlement will happen at a steep discount to the original value. On account of the steep discount, enough profit would be generated which will set off the entire brought forward losses. Once the solution happens, the Company has the ability to generate profit in excess of Rs. 50 crore per year which will enable the Company to utilize deferred tax in the period available to the company easily. Accordingly, no adjustment is currently considered necessary by the management to the amount of deferred tax recognised.</p> <p>Management views for qualification mentioned in II (a) (iii) above:</p> <p>The Company is in the process of approaching TPG Growth II SF Pte. Ltd. and International Finance Corporation ("lenders") for restructuring its loan and envisages that the lenders shall forgo the interest charge (including penal interest) on its loans for the period April 1, 2019 to March 31, 2021. Accordingly, the Company has not accrued interest amounting to Rs. 1,714.41 lakhs and Rs. 1,832.91 lakhs for the year ended March 31, 2021 and for the year ended March 31, 2020 respectively.</p>
	e.	<p>For Audit Qualification(s) where the impact is not quantified by the auditor:</p> <p>Management views for qualification mentioned in II (a) (ii) above is explained below</p>
	(i)	<p>Management's estimation on the impact of audit qualification:</p> <p>According to Management's estimates and assumptions on the projections for Kashipur CGU; the present value of the future cash flows expected to be derived from Kashipur CGU is higher than its carrying value as on March 31, 2021. Thus, in the view of Management, there is no requirement for accounting any impairment loss.</p>
	(ii)	If management is unable to estimate the impact, reasons for the same: Not Applicable
	(iii)	<p>Auditors' Comments on (i) or (ii) above: ii.</p> <p>The Company's Cash Generating Unit ("CGU") viz. Kashipur cluster, has a carrying value of Rs. 38,922.34 lakhs as on March 31, 2021 comprising of tangible and intangible assets. The Company has performed an impairment assessment of the CGU as required under Ind AS 36 – Impairment of Assets. Material Uncertainty Related to Going Concern

We draw attention to Note 3 and Note 2 to the Statement which states that the Company has incurred net losses of Rs. 5,765.88 lakhs during the year ended March 31, 2021 and has a net current liability position of Rs. 39,217.41 lakhs as on that date and describes certain loans for which the Company is in default. Further, the Company's ability to meet its future obligations is dependent on restructuring of its loans. These conditions indicate significant doubt on the Company's ability to continue as going concern. The Company is in the process of executing an Inter Creditor Arrangement and proposing a resolution plan to the lenders. In view of the above, the Statement of the Company has been prepared on a going concern basis. Our opinion on the Statement is not modified in respect of this matter.

Board of Directors' Responsibilities for the Standalone Financial Results

This Statement has been prepared on the basis of the standalone annual financial statements. The Company's Board of Directors are responsible for the preparation and presentation of this Statement that give a true and fair view of the net loss and other comprehensive income in accordance with the Indian Accounting Standards prescribed under Section 133 of the Act read with Companies (Indian Accounting Standards) Rules, 2015, as amended issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. The Board of Directors of the Company are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Statement that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the Statement by the Directors of the Company, as aforesaid.

In preparing the Statement, the Board of Directors of the Company are responsible for assessing the ability of the Company to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors of the Company are responsible for overseeing the financial reporting process of the Company.

Auditor's Responsibilities for the Audit of the Standalone Financial Results

Our objectives are to obtain reasonable assurance about whether the Statement as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our

opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Statement.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Statement, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3) (i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
- Conclude on the appropriateness of the Board of Directors use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Company to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Statement or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Statement, including the disclosures, and whether the Statement represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance of the Company of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

NOTES TO AUDITED STANDALONE FINANCIAL RESULTS FOR THE QUARTER & YEAR ENDED MARCH 31, 2021

- 1) These results have been prepared in accordance with the Indian Accounting Standard (referred to as "Ind AS") 34 - Interim Financial Reporting as prescribed under Section 133 of Companies Act, 2013 read with Companies (Indian Accounting Standards) Rules as amended from time to time.

(The interest default cited here is net of TDS (as applicable) and before adjusting for the effects mentioned in Note 6 below).

As on March 31, 2021 the Company has defaulted in repaying the principal and interest component for FCCB issued to TPG Growth II SF Pte. Ltd. amounting to Rs. 4,961.57 lakhs and Rs. 3,506.10 lakhs respectively and also defaulted in redemption of FCCB from International Finance Corporation (IFC) amounting to Rs. 6,615.42 lakhs. The Company has devolved Letter of Credit issued by banks during the previous year ended March 31, 2020. Such devolvement has resulted in over utilisation of cash credit facilities by Rs. 6,275.14 lakhs (including interest) as on March 31, 2021, based on drawing power sanctioned by banks in March 2021.

- 3) The Company has incurred net losses of Rs. 5,765.88 lakhs during the year ended March 31, 2021 and has a net current liability position of Rs. 39,217.41 lakhs as on that date. Further, in respect of certain loan arrangements for which the amounts have fallen due as mentioned in Note 2 above; the Company is pursuing with its lenders for restructuring of loans through an Inter Creditor Agreement. Consequently, the Company's ability to meet its obligations is dependent on restructuring of loans. The Company will also require further financing to sustain its operations in the normal course of business for which the Company is also contemplating monetisation of certain assets. These events along with other conditions cast significant doubt on the ability of the Company to continue as a going concern. The Company is confident that such cash flows would enable it to service its debt and discharge its obligations. Accordingly, these results of the Company have been prepared on a going concern basis.
- 4) During the previous year KKR India Financial Services Limited had made an application to the Honourable National Company Law Tribunal ("NCLT"), Indore bench at Ahmedabad ("Adjudicating Authority") under Section 7 of the Insolvency and Bankruptcy Code, 2016 against the Company.

During the quarter ended September 30, 2020, the term loan from KKR India Financial Services Limited ("KKR") has been assigned to Assets Care & Reconstruction Enterprise Ltd acting in its capacity as trustee of ACRE-105- Trust ("ACRE"), new lender of the Company, who has taken over the loan of KKR. The Company has entered in new loan documentation with ACRE on November 25, 2020, as a result the original outstanding (including principal and interest) with KKR of Rs. 9410.51 lakhs has been restructured to Rs. 1500 lakhs. Accordingly, the Company has accounted for gain on restructuring amounting to Rs 5,997.02 lakhs in other income.

During the quarter ended March 31, 2021 the Honourable National Company Law Tribunal ("NCLT") in its hearing dated January 22, 2021, has allowed the application to withdraw the instant petition made by ACRE. Accordingly, the said petition is dismissed as withdrawn.

- 5) The Company is carrying deferred tax asset of Rs. 5,008.05 lakhs (including MAT credit of Rs. 2,797.69 lakhs) as on March 31, 2021. Management is reasonably certain that the Company will earn sufficient taxable profit in future to utilise the Deferred Tax Asset and MAT credit within the time limit prescribed under the Income Tax Act, 1961. Accordingly, no adjustment is currently considered necessary by the management to the amount of deferred tax assets.
- 6) The Company is in the process of approaching TPG Growth II SF Pte. Ltd. and International Finance Corporation ("lenders") for restructuring its loan and envisages that the lenders shall forgo the interest charge (including penal interest) on its loans for the period April 1, 2019 to March 31, 2021.

Accordingly, the Company has not accrued interest amounting to Rs. 1,714.41 lakhs and Rs. 1,832.91 lakhs for the year ended March 31, 2021 and for the year ended March 31, 2020 respectively.

NOTES TO AUDITED STANDALONE FINANCIAL RESULTS FOR THE QUARTER & YEAR ENDED MARCH 31, 2021

- 7) The World Health Organization announced a global health emergency because of a new strain of coronavirus ("COVID-19") and classified its outbreak as a pandemic on March 11, 2020. On March 24, 2020, the Indian government announced a strict 21-day lockdown across the country to contain the spread of the virus, which has been further extended in containment zones. This pandemic and government response are creating disruption in global supply chain and adversely impacting most of the industries which has resulted in global slowdown. However, the approval of the effective COVID-19 vaccines is encouraging for an eventual end to pandemic.

The management has made an assessment of the impact of COVID-19 on the Company's operations, financial performance and position as at and for the year ended March 31, 2021 and has concluded that there is no impact which is required to be recognised in these results. Accordingly, no adjustments have been made to these results.

However, the effective date from which the changes are applicable is yet to be notified. The Company will evaluate and will give appropriate impact in the financial statements in the period in which the Code becomes effective and the related rules are published.
- 9) The audited financial results for quarter ended March 31, 2021 and quarter ended March 31, 2020 are the balancing figures between the audited figures for the full financial years then ended and the published year to date reviewed figures up to the third quarter of the respective financial years.

- 12) There is no dilution to the basic EPS as there are no outstanding potentially dilutive shares.
- 13) Previous period's / year's figures have been re-grouped wherever necessary to correspond with the current period's figures.

	8.	Any other financial item(s) (as felt appropriate by the management)	Refer Material Uncertainty with respect to Going Concern and Emphasis of Matter Paragraph in the Auditors Report	
A	Audit Qualification (each audit qualification separately)			
	a.	Audit Qualifications		
	i.	<p>The Parent Company has recognized deferred tax asset (net) of Rs. 5,008.05 lakhs on its carried forward accumulated losses (including unabsorbed depreciation) and other temporary differences. In accordance with Ind AS 12 on Income Taxes, a deferred tax asset shall be recognised only to the extent that it is probable that taxable profit will be available against which the deductible temporary differences and unused tax losses can be utilised. Due to the financial difficulties experienced by the Parent Company as stated in Note 2 to the Statement and significant uncertainty stated in Note 3 to the Statement, we are unable to comment on the recoverability of deferred tax asset and consequential impact, if any, on the Statement. Had the Deferred tax asset not been created, the net loss and total comprehensive loss for the year ended March 31, 2021 would have been higher by Rs. 5,008.05 Lakhs and other equity as on that date would have been lower by the same amount. (Refer Note No. 5 forming part of the results).</p>		
	ii.	<p>The Parent Company's Cash Generating Unit ("CGU") viz. Kashipur cluster, has a carrying value of Rs. 38,922.34 lakhs as on March 31, 2021 comprising of tangible and intangible assets. The Parent Company has performed an impairment assessment of the CGU as required under Ind AS 36 – Impairment of Assets. The Parent Company is undergoing financial difficulties as stated in Note 2 to the Statement and there is significant uncertainty as cited in Note 3 to the Statement in respect of the Parent Company's plan to monetize its assets, secure funding from the bankers / investors, restructure its liabilities and normalize its operations. We are unable to comment on the appropriateness of the assumptions for the projections used in the impairment assessment and consequential impairment provision, if any, to be made in the Statement with regard to the CGU.</p>		
	iii.	<p>The Parent Company has not provided for interest charge (including penal interest) amounting to Rs. 1,832.91 lakhs for the year ended March 31, 2020 and Rs. 524.02 lakhs and Rs 1,714.41 lakhs for the quarter and year ended March 31, 2021, respectively on loans outstanding to certain lenders; this constitutes departure from the accrual basis of accounting stipulated under Ind AS 1 - Presentation of Financial Statements. Accordingly, interest due to lenders (gross of TDS deduction), the interest cost and loss for the year ended March 31, 2020 is understated by Rs 1,832.91 lakhs; and for the quarter and year ended March 31, 2021 is understated by Rs. 524.02 lakhs and 1714.41 lakhs respectively. In the absence of sufficient appropriate review evidence, we are unable to comment upon the consequential impact, if any that may arise from this matter. (Refer Note 6 to the Statement).</p>		

	b.	Type of Audit Qualification : Qualified Opinion
	c.	<p>Frequency of qualification:</p> <p>The qualification mentioned above in II (a) (i) and (ii) is repetitive and continuing since Limited Review for the quarter and nine months ended December 31, 2019.</p> <p>The qualification mentioned in II (a) (iii) is repetitive and continuing since the year ended March 31, 2020.</p>
	d.	<p>For Audit Qualification(s) where the impact is quantified by the auditor, Management's Views:</p> <p>Management views for qualification mentioned in II (a) (i) above:</p> <p>The Parent Company is carrying as a deferred tax asset aggregating to Rs. 5,008.05 lakhs. Management is reasonably certain that the Parent Company will earn sufficient taxable profit in future to utilise the deferred tax asset (including MAT Credit) within the time limit prescribed under the Income Tax Act, 1961. Management believes that they are very close to having a complete solution for the Parent Company's debt overhang. The Management is negotiating with various investors and all its lenders for one-time settlement of the term loans. This settlement will happen at a steep discount to the original value. On account of the steep discount, enough profit would be generated which will set off the entire brought forward losses. Once the solution happens, the Parent Company has the ability to generate profit in excess of Rs. 50 crore per year which will enable the Parent Company to utilize deferred tax in the period available to the parent company easily. Accordingly, no adjustment is currently considered necessary by the management to the amount of deferred tax recognised.</p> <p>Management views for qualification mentioned in II (a) (iii) above:</p> <p>The Parent Company is in the process of approaching TPG Growth II SF Pte. Ltd. and International Finance Corporation ("lenders") for restructuring its loan and envisages that the lenders shall forgo the interest charge (including penal interest) on its loans for the period April 1, 2019 to March 31, 2021. Accordingly, the Parent Company has not accrued interest amounting to Rs. 1,714.41 lakhs and Rs. 1,832.91 lakhs for the year ended March 31, 2021 and for the year ended March 31, 2020 respectively.</p>
	e.	<p>For Audit Qualification(s) where the impact is not quantified by the auditor:</p> <p>Management views for qualification mentioned in II (a) (ii) above is explained below</p>
	(i)	<p>Management's estimation on the impact of audit qualification:</p> <p>According to Management's estimates and assumptions on the projections for Kashipur CGU; the present value of the future cash flows expected to be derived from Kashipur CGU is higher than its carrying value as on March 31, 2021. Thus, in the view of Management, there is no requirement for accounting any impairment loss.</p>
	(ii)	<p>If management is unable to estimate the impact, reasons for the same: Not Applicable</p>
	(iii)	<p>Auditors' Comments on (i) or (ii) above: ii.</p> <p>The Parent Company's Cash Generating Unit ("CGU") viz. Kashipur cluster, has a carrying value of Rs. 38,922.34 lakhs as on March 31, 2021 comprising of tangible and intangible assets. The Parent Company has performed an impairment assessment of the CGU as required under Ind AS 36 – Impairment of Assets. The Parent Company is undergoing financial difficulties as stated in Note 2 to the Statement and there is significant uncertainty as cited in Note 3 to the Statement in respect of the Parent Company's plan to monetize its assets, secure funding from the bankers / investors, restructure its liabilities and normalize its operations. We are unable to comment on the appropriateness of the assumptions for the projections used in the impairment assessment and consequential impairment provision, if any, to be made in the Statement with regard to the CGU.</p>

- (ii) are presented in accordance with the requirements of Regulation 33 of the Listing Regulations in this regard; and
- (iii) give a true and fair view in conformity with the applicable accounting standards prescribed under Section 133 of the Companies Act, 2013 (“the Act”) read with Companies (Indian Accounting Standards) Rules, 2015, as amended and other accounting principles generally accepted in India, of net loss and other comprehensive income and other financial information of the Group for the year ended March 31, 2021.

Basis for Qualified Opinion

- a) Our limited review report on the unaudited consolidated financial results of the Company for the quarter ended December 31, 2020 was qualified in respect of the matters stated below:
- i. The Parent Company has recognized deferred tax asset (net) of Rs. 5,008.05 lakhs on its carried forward accumulated losses (including unabsorbed depreciation) and other temporary differences. In accordance with Ind AS 12 on Income Taxes, a deferred tax asset shall be recognised only to the extent that it is probable that taxable profit will be available against which the deductible temporary differences and unused tax losses can be utilised. Due to the financial difficulties experienced by the Parent Company as stated in Note 2 to the Statement and significant uncertainty stated in Note 3 to the Statement, we are unable to comment on the recoverability of deferred tax asset and consequential impact, if any, on the Statement. Had the Deferred tax asset not been created, the net loss and total comprehensive loss for the year ended March 31, 2021 would have been higher by Rs. 5,008.05 Lakhs and other equity as on that date would have been lower by the same amount. (Refer Note No. 5 forming part of the results).
- ii. The Parent Company’s Cash Generating Unit (“CGU”) viz. Kashipur cluster, has a carrying value of Rs. 38,922.34 lakhs as on March 31, 2021 comprising of tangible and intangible assets. The Parent Company has performed an impairment assessment of the CGU as required under Ind AS 36 – Impairment of Assets. The Parent Company is undergoing financial difficulties as stated in Note 2 to the Statement and there is significant uncertainty as cited in Note 3 to the Statement in respect of the Parent Company’s plan to monetize its assets, secure funding from the bankers / investors, restructure its liabilities and normalize its operations. We are unable to comment on the

appropriateness of the assumptions for the projections used in the impairment assessment and consequential impairment provision, if any, to be made in the Statement with regard to the CGU.

- iii. The Parent Company has not provided for interest charge (including penal interest) amounting to Rs. 1,832.91 lakhs for the year ended March 31, 2020 and Rs. 524.02 lakhs and Rs 1,714.41 lakhs for the quarter and year ended March 31, 2021, respectively on loans outstanding to certain lenders; this constitutes departure from the accrual basis of accounting stipulated under Ind AS 1 - Presentation of Financial Statements. Accordingly, interest due to lenders (gross of TDS deduction), the interest cost and loss for the year ended March 31, 2020 is understated by Rs 1,832.91 lakhs; and for the quarter and year ended March 31, 2021 is understated by Rs. 524.02 lakhs and 1714.41 lakhs respectively. In the absence of sufficient appropriate review evidence, we are unable to comment upon the consequential impact, if any that may arise from this matter. (Refer Note 6 to the Statement).

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Results section of our report. We are independent of the Group, in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics.

We believe that the audit evidence obtained by us and other auditors in terms of their reports referred to in "Other Matter" paragraph below, is sufficient and appropriate to provide a basis for our qualified opinion.

Material Uncertainty Related to Going Concern

We draw attention to Note 4 to the Statement which states that the Parent Company has incurred net losses of Rs. 5,765.88 lakhs during the year ended March 31, 2021 and has a net current liability position of Rs. 39,217.41 lakhs as on that date and describes certain loans for which the Parent Company is in default. Further, the Parent Company's ability to meet its future obligations is dependent on restructuring of its loans. These conditions indicate significant doubt on the Parent Company's ability to continue as going concern. The Parent Company is in the process of executing an Inter Creditor Arrangement and proposing a resolution plan to the lenders. In view of the above, the Statement has been prepared on a going concern basis. Our opinion on the Statement is not modified in respect of this matter.

Board of Directors' Responsibilities for the Consolidated Financial Results

This Statement has been prepared on the basis of the consolidated annual financial statements. The Holding Company's Board of Directors are responsible for the preparation and presentation of this Statement that give a true and fair view of the net loss and other comprehensive income and other financial information of the Group in accordance with the Indian Accounting Standards prescribed under Section 133 of the Act read

with Companies (Indian Accounting Standards) Rules, 2015, as amended and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Statement that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the Statement by the Directors of the Holding Company, as aforesaid.

In preparing the Statement, the respective Board of Directors of the companies included in the Group are responsible for assessing the ability of the Group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the respective Board of Directors either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group are responsible for overseeing the financial reporting process of the Group.

Auditor's Responsibilities for the Audit of the Consolidated Financial Results

Our objectives are to obtain reasonable assurance about whether the Statement as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this Statement.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Statement, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3) (i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
- Conclude on the appropriateness of the Board of Directors use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Statement or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Statement, including the disclosures, and whether the Statement represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities within the Group to express an opinion on the Statement. We are responsible for the direction, supervision and performance of the audit of financial information of such entities included in the Statement of which we are the independent auditors. For the other entities included in the Statement, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance of the Holding Company and such other entities included in the Statement of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

VENTURES**NOTES TO AUDITED CONSOLIDATED FINANCIAL RESULTS FOR THE YEAR ENDED MARCH 31, 2021**

- 1) These results have been prepared in accordance with the Indian Accounting Standard (referred to as "Ind AS") 34 - Interim Financial Reporting as prescribed under Section 133 of Companies Act, 2013 read with Companies (Indian Accounting Standards) Rules as amended from time to time.

The Statement of Financial Results for the year ended March 31, 2021 of Flexituff Ventures International Limited (formerly known as Flexituff International Limited) and its subsidiaries (together referred to as 'Group'), have been reviewed by the Audit Committee and approved by the Board of Directors at its meeting held on June 15, 2021. The Statutory Auditors have expressed a modified opinion on these results.

- 2) As on March 31, 2021 the Parent Company has defaulted in repaying the principal and interest component of loan instalments amounting to Rs. 2,863.17 lakhs and Rs. 1,348.67 lakhs respectively to financial institutions. (The interest default cited here is net of TDS (as applicable) and before adjusting for the effects mentioned in Note 6 below).

As on March 31, 2021 the Parent Company has defaulted in repaying the principal and interest component for FCCB issued to TPG Growth II SF Pte. Ltd. amounting to Rs. 4,961.57 lakhs and Rs. 3,506.10 lakhs respectively and also defaulted in redemption of FCCB from International Finance Corporation (IFC) amounting to Rs. 6,615.42 lakhs. Interest accrued and payable to IFC amounts to Rs. 1,066.59 lakhs. (The interest default cited here is net of TDS (as applicable) and before adjusting for the effects mentioned in Note 6 below).

The Parent Company has devolved Letter of Credit issued by banks during the previous year ended March 31, 2020. Such devolvement has resulted in over utilisation of cash credit facilities by Rs. 6,275.14 lakhs (including interest) as on March 31, 2021, based on drawing power sanctioned by banks in March 2021.

- 3) The Parent Company has incurred net losses of Rs. 5,765.88 lakhs during the year ended March 31, 2021 and has a net current liability position of Rs. 39,217.41 lakhs as on that date. Further, in respect of certain loan arrangements for which the amounts have fallen due as mentioned in Note 2 above; the Parent Company is pursuing with its lenders for restructuring of loans through an Inter Creditor Agreement. Consequently, the Parent Company's ability to meet its obligations is dependent on restructuring of loans. The Parent Company will also require further financing to sustain its operations in the normal course of business for which the Parent Company is also contemplating monetisation of certain assets. These events along with other conditions cast significant doubt on the ability of the Parent Company to continue as a going concern. The Parent Company is confident that such cash flows would enable it to service its debt and discharge its obligations. Accordingly, these results have been prepared on a going concern basis.

- 4) During the previous year KKR India Financial Services Limited had made an application to the Honourable National Company Law Tribunal ("NCLT"), Indore bench at Ahmedabad ("Adjudicating Authority") under Section 7 of the Insolvency and Bankruptcy Code, 2016 against the Parent Company.

During the quarter ended September 30, 2020, the term loan from KKR India Financial Services Limited ("KKR") has been assigned to Assets Care & Reconstruction Enterprise Ltd acting in its capacity as trustee of ACRE-105- Trust ("ACRE"), new lender of the Parent Company, who has taken over the loan of KKR. The Parent Company has entered in new loan documentation with ACRE on November 25, 2020, as a result the original outstanding (including principal and interest) with KKR of Rs. 9410.51 lakhs has been restructured to Rs. 1500 lakhs. Accordingly, the Parent Company has accounted for gain on restructuring amounting to Rs 5,997.02 lakhs in other income.

During the quarter ended March 31, 2021 the Honourable National Company Law Tribunal ("NCLT") in its hearing dated January 22, 2021, has allowed the application to withdraw the instant petition made by ACRE. Accordingly, the said petition is dismissed as withdrawn.

- 5) The Parent Company is carrying deferred tax asset of Rs. 5,008.05 lakhs (including MAT credit of Rs. 2,797.69 lakhs) as on March 31, 2021. Management is reasonably certain that the Company will earn sufficient taxable profit in future to utilise the Deferred Tax Asset and MAT credit within the time limit prescribed under the Income Tax Act, 1961. Accordingly, no adjustment is currently considered necessary by the management to the amount of deferred tax assets.

- 6) The Parent Company is in the process of approaching TPG Growth II SF Pte. Ltd. and International Finance Corporation ("lenders") for restructuring its loan and envisages that the lenders shall forgo the interest charge (including penal interest) on its loans for the period April 1, 2019 to March 31, 2021.

Accordingly, the Parent Company has not accrued interest amounting to Rs. 1,714.41 lakhs and Rs. 1,832.91 lakhs for the year ended March 31, 2021 and for the year ended March 31, 2020 respectively.
